A. INTRODUCTION

Throughout this Amendment these entities are referred to as follows:

Kodiak Island Health Care Foundation	=	KIHCF
Alaska Native Tribal Health Consortium	=	ANTHC
Cooperative Project Agreement	=	CPA
Denali Commission	=	Commission

On April 20, 2004, ANTHC and the Kodiak Island Health Care Foundation executed a CPA authorized by the Denali Commission to perform the design and the construction planning to renovate existing space within the Providence Kodiak Island Medical Center into a Kodiak Community Health Center. The medical center is owned by the Kodiak Island Borough, and the community health center is owned by the Kodiak Island Health Care Foundation. No construction was performed under this project phase.

B. REVISION OF PROJECT FUNDING

The project was funded with \$128,500, via Denali Commission Financial Assistance Award No. 0071-DC-2002-I24, Addendum A, dated December 2003; however, the performance period of that award expired Dec. 31, 2006. At that time, \$78,559.82 of those funds had been expensed.

To financially close I24, the Commission has de-obligated the project balance of \$49,940.18, and replaced it with funding from Denali Commission Financial Assistance Award No. 0100-DC-2003-I13, Amendment No. 3, dated February 2007.

. A revised cost estimate table is provided below.

Job Type	Scope of Work	Qty	Units	Unit Cost	Total Cost	Funding Sources	
						Denali FY02	Denali FY03
M-DS	Renovation design	1	LS	125,000	125,000	75,059.82	49,940.18
Kodiak Award					\$125,000	\$75,059.82	\$49,940.18
M-PP	Professional Operations Charges			\$3,500	\$3,500.00		
Total Award					\$128,500	\$78,559.82	\$49,940.18

This document constitutes Amendment No. 1 to the CPA to perform the design and the construction planning to renovate existing space within the Providence Kodiak Island Medical Center into a Kodiak Community Health Center. All other sections of the original CPA remain in effect as agreed upon and executed.

MEMORANDUM

DATE: March 2007

FROM: Director, Central Engineering Services

SUBJECT: Kodiak, Alaska – Environmental Review
Project No. AN 04-G95, Amendment No. 1

TO: FOR THE RECORD

Federal funding for this project requires an environmental review in accordance with the National Environmental Policy Act (NEPA) and the National Historic Preservation Act (NHPA). The Alaska Native Tribal Health Consortium (ANTHC) has considered all potential environmental concerns (specific and cumulative effects) associated with the project in consultation with applicable federal, state, and local authorities. An environmental review was completed in April 2004 with respect to the proposed sanitation facilities construction at Kodiak, Alaska under Project No. AN 04-G95. This Amendment will not change the scope outlined in the original document. No additional environmental review is necessary at this time.

The ANTHC will revisit this environmental review to determine if potential environmental concerns have been addressed if the scope of work changes.
